

5kw solar power off grid system Average power capacity :25kwh per day (PSH=5Hrs)

Model:JSD5KW-OFF

Output power:5kw

Output voltage:220V

Item	Product	Picture	Specification	Qty
1	Hybrid Inverter (with mppt controller inside) Service Life : 10 years		Item : MS5000-HHS-48 Output power : 5000W Output voltage:220V	1
2	WiFi Module		Monitor the status of whole system by Mobile App	1
3	Wall Power Battery Service Life : 10 years		Item: BG-48100 Capacity : 51.2V 100AH 5KWH Weight :50kg	1
4	Mono Solar Panel Service Life : 25 years		400W solar panel Size 1980*1002*40mm Weight 24.0`kg Total volume surface; 19.84M²	10
5	PV Mounted Bracket Service Life : 25 years		Picthed Roof Bracket (Including all parts)	1
6	Power Distribution Box Service Life : 10 years		Power Distribution Box with air-switch inside	1
7	PV Cable MC4 Connetor Service Life :10 years		PVcable 4mm2 Rated Voltage: 1000V DC Rated Current: 30A	1
