

10KW Off-grid Solar Power System

Average power capacity : 50kwh per day (PSH=5Hrs)

Model:JSD10KW-OFF
Output power:10KW
Output voltage:220V

Item	Product	Picture	Specification	Qty
1	Hybrid Inverter (with mppt controller inside) Service Life : 10 years		Item : MS5000-HHP-48 Output power : 5000W Output voltage:220V	2
2	WiFi Module		Monitor the status of whole system by Mobile App	2
3	Wall Power Battery Service Life : 10 years		Item: BG-48200 Capacity : 51.2V 200AH 10KWH Weight :100kg	1
4	Mono Solar Panel Service Life : 25 years		400W solar panel Size 1980*1002*40mm Weight 24.0 kg: Total volume surface; 47.61M ²	24
5	PV Mounted Bracket Service Life : 25 years		Pitched Roof Bracket (Including all parts)	
6	Power Distribution Box Service Life : 10 years		Power Distribution Box with air-switch inside	
7	PV Cable MC4 Connetor Service Life :10 years		PVcable 4mm2 Rated Voltage: 1000V DC Rated Current: 30A	1
